

# Old Dominion University Computer Science Department Policies and Procedures

**Title: Unix Software Request**

**ID: CSU001**

**Revision: 2.0**

## **Purpose**

This procedure provides guidance on requesting software for the Unix systems and software upgrades in the Computer Science Department.

## **Scope**

This procedure pertains to all Unix systems within the Computer Science Department.

## **Requesting Unix Software**

To request Unix software, one must email root@cs.odu.edu with the software they are requesting and a reason why it is needed. The systems group will then review the software and reply to the user letting them know if we will install it or not and when it will be installed.

## **Definitions**

N/A

## **Revision History**

Work in progress.
